

**PRECAST  
CONCRETE STAIRCASE**

ARCHITECTURE

# TRENDSETTER

Patio Drummond has developed an innovative system of prefabricated concrete staircases. Its unique self-supporting design makes installation easy and gives your project a distinguished look.

CONCEPTION

# CUSTOM

Whether for residential or commercial projects, our concrete staircases can be manufactured to your specifications.

SIZE    ◆    TEXTURE    ◆    COLOR

INSTALLATION

# FAST AND EASY

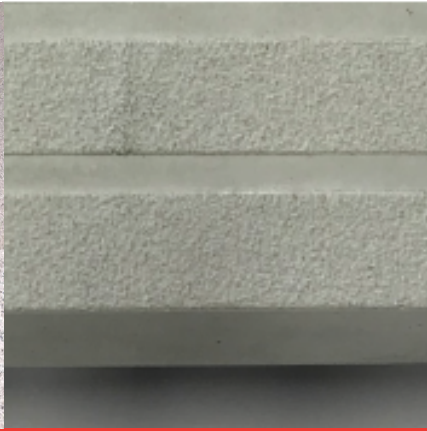

Our avant-garde prefabricated concrete staircases can be installed in just 15 minutes (time per step).

# TYPES OF FINISHES

Sandblast finish

Smooth finish with anti-slip concrete strips

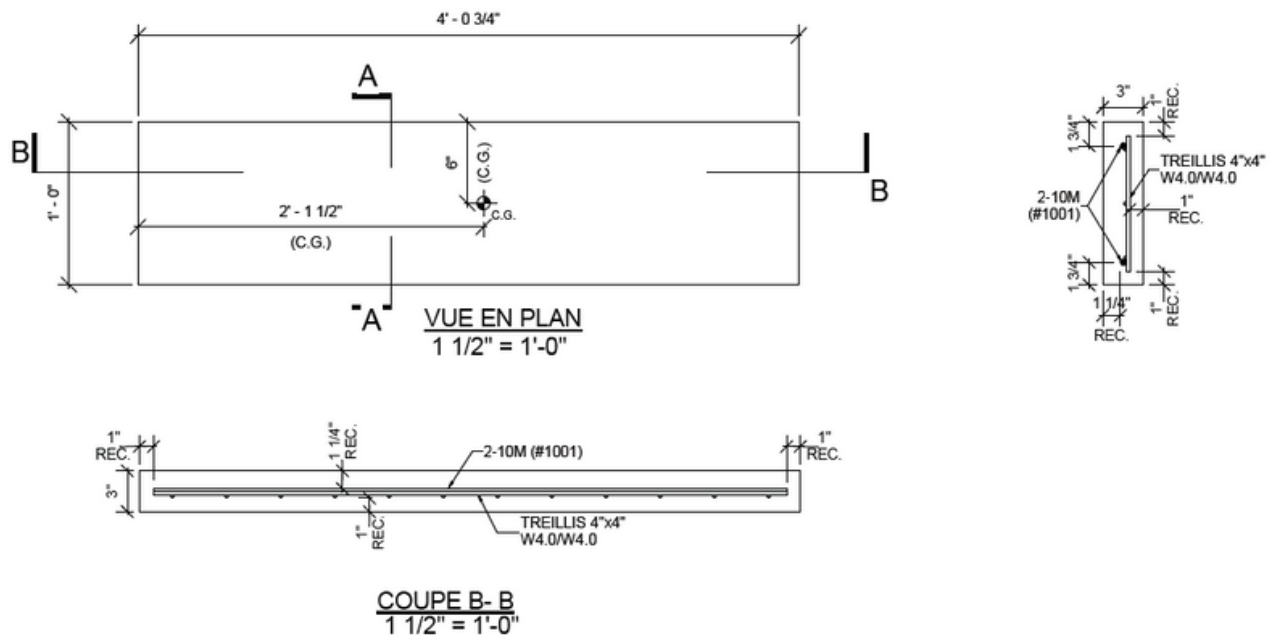

Broom finish

Smooth finish with non-slip carborundum strips

# ENGINEERING

**AESTHETIC, DURABLE AND MAINTENANCE-FREE**

Concrete stairs are maintenance-free, affordable, stronger and quicker to install!

8435, boulevard St-Joseph, Drummondville (Qc), J2A 3W8
